

## **PARKS AND RECREATION COVID-19 INFORMATION**

We have received new Phase 2 guidelines for Jackson County which starts on June 1st. The good news is that we will be able to OPEN everything within our park grounds EXCEPT for playground structures!

Unfortunately, the guidelines state that play structures must remain closed. This means that the skate park, shelter rentals, tennis courts, arenas, ball fields, sand volleyball courts, and basketball court can be used again with guidelines in place. The guidelines do state that we must ask that everyone still maintain social distancing while using the parks. We will make some changes within the parks ourselves to comply with other limits we must follow but this is great news for all of us moving forward!

We have had several phone calls from baseball/softball teams wanting to use the ball fields as soon as allowed. Please note that all ball fields will be a first come first served situation for a while.

The Oak Grove Aquatic Center still plans on the opening date of June 13th. Guidelines and limitations will also be put into effect there to comply with Jackson County. Those guidelines will be posted closer to date.

Thank you!
