Chapter 530. Right-Of-Way Management

Article X. Insurance, Bonding and Liability

Section 530.490. Bonding.

[Ord. No. 1527 §1, 8-7-2006]

- A. If a ROW user has twenty-five million dollars (\$25,000,000.00) in net assets and does not have a history of non-compliance or permitting non-compliance within the City, then the ROW user shall not be required to maintain a performance or maintenance bond. The ROW user shall provide all information to the City necessary to determine the amount of net assets of the ROW user. For purposes of this Section, *"history of non-compliance or permitting non-compliance within the City"* shall mean the ROW user or any persons acting on the behalf of the ROW user, including contractors or subcontractors, has failed to return the public right-of-way to its previous condition under a previous right-of-way permit.
- B. If it is determined pursuant to Subsection **(A)** of this Section that a ROW user does not have twenty-five million dollars (\$25,000,000.00) in net assets or does have a history of non-compliance or permitting non-compliance within the City, then the ROW user shall:
1. Maintain a performance bond in a form approved by the City Attorney. The amount of the bond will be five thousand dollars (\$5,000.00) or the value of the restoration, whichever is greater, as determined by the City Inspector for a term consistent with the term of the right-of-way permit, conditioned upon the ROW user's faithful performance of the provisions, terms and conditions conferred by this Article.
 2. Maintain a maintenance bond in a form approved by the City Attorney. The amount of the bond will be five thousand dollars (\$5,000.00) or the value of the restoration, whichever is greater, as determined by the City Inspector for a term consistent with the term of the right-of-way permit plus four (4) additional years conditioned upon the ROW user's faithful performance of the provisions, terms and conditions conferred by this Article.
- C. In the event the City shall exercise its right to revoke the right-of-way permit as permitted herein, then the City shall be entitled to recover under the terms of said bonds the full amount of any loss occasioned. A copy of the maintenance and performance bonds must be on file with the City Clerk. No maintenance or performance bond will be required of any residential property owner excavating or working in the right-of-way adjacent to his/her residence who does not utilize a contractor to perform the excavation or work.
