- The proposed work must be done in accordance with approved plans and specifications. Separate permits are required for, but not limited to electrical, mechanical and plumbing. Furthermore, it is the duty of the general contractor to assure that all required inspections are scheduled in advance and approved by the City Inspectors.
- Permits are valid for 180 days and must be posted in visible location.
- I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or conceal the provisions of any other state or local law regulating construction or the performance of construction and that I make this statement under penalty of perjury. Businesses must obtain a current City of Oak Grove Business License prior to beginning any project.

AFFIDAVIT: I hereby certify that I have the authority to make the foregoing application and that the application, to the best of my knowledge, is complete and correct and that the permitted construction will conform to the regulations in the Codes adopted by the City of Oak Grove and all applicable ordinances.
